

Let's Dance

2022 INFORMATION PACK

We are so excited that you are thinking of starting dance with us.
We know you will have so much fun!

We are located at 15 Lisgar St, Junee. Our location has two generously sized, climate controlled learning studios and a waiting room for before and after class. Our waiting room is currently limited capacity due to current State mandated restrictions.

We run closely to NSW school terms and have limited class sizes. Our staff are highly trained and qualified in various styles of dance. We offer examinations, performance opportunities and much more.

Pricing Packages

\$40 registration fee per student includes a studio t-shirt

+ Standard (all inclusive) per Term

30min lessons \$152

45min lesson \$182

60min lesson \$196

this covers your;

- weekly lessons for the term,
- your end of year costume deposit (allowance of \$50)
- Performance package of digital access to video and photos from end of year production and
- one free entry into one studio social event throughout the year

We do have a casual drop in rate for children not wanting to participate in the performances. This is \$12 per class.

We offer weekly direct debit payment plans for families that wish to smooth out their fees.

We accept Active and Creative kids vouchers.

Uniforms

Each style requires something a little different in the way of uniforms.

All dancers will need a leotard, dance shoes and either shorts, leggings or a chiffon skirt.

Little Groovers just need a studio Tshirt, shorts and clean shoes (not worn outside please)

For a full list of all the uniform requirements of each style please see our Student/Parent Handbook. A link for this will sent via your registration email

Uniforms can be sourced locally at 1st Position in Wagga or online at BalletStuff.com.au or Energetiks. We do however prefer that you use 1st Position where possible.

What next?

When you are ready to enroll you can either register yourself using our [Parent Portal](#) or you can email us with your selections and we can get you sorted. We also have a Come and Try day on Thursday 27th. You will receive some info on this soon.

Make sure you get familiar with our Parent Portal, you will receive your login details once your enrolment has been processed.

Start counting down till dance starts!

If you have some more questions please don't hesitate to contact us. At this time of year we are having a little break so email is preferred, even if just to request a call back. We are more than happy to chat.

You can also find some info on our [website](#)

We are looking forward to having you with us!
